

Gender Pay Gap Reporting - April 2025

We are an employer required by law to carry out Gender Pay Gap Reporting under the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017. This involves carrying out calculations that show the difference between the average earnings of men and women in our company. It will not involve publishing individual employee's data.

We are required to publish the results on our own website and a government website. The information below is based on data as at 5th April 2025. At this date Origin Frames Ltd employed 81.4% being male and 18.6% being female.

Our overall mean gender pay gap is 13.7% higher for women.
