Dear Sirs,

### **The Consumer Protection Association 5 Year Achievement Award**

We are delighted to inform you that Origin (Origin Frames Ltd t/as) have been awarded a 5 Year Achievement Award in recognition of your long-standing membership of The Consumer Protection Association.

At The CPA, we feel it is important to recognise your commitment to both our organisation and to ensuring that your customers receive the best possible consumer protection.

Enclosed you will find your achievement certificate to display in both premises and sales presenters so potential customers can see both continued commitment to your business and your provision of the best Insurance Backed Guarantee available.

Your local media will be interested to hear of your prestigious award and we can assist you with PR material. Moreover, if you are active in social media, may I suggest that a photograph of the team with the plaque will be an excellent posting for your Facebook and Twitter. In turn we would also like to post this to our social media, so please do send your photo to me via [info@thecpa.co.uk](mailto:info@thecpa.co.uk).

Finally, may I congratulate you once again on receiving your Achievement Award and we hope that you will continue to provide excellent services to your customers for many years to come.

Yours sincerely

Jeremy Brett
